TERRAZZO TABLE

DESIGN BY DANIEL ENOKSSON

HAY

- PARTS -

A Tabletop x1

B Column x1

C Base x1

D Screw x1

E Washer x1

F Washer x1

G Allen key x1

Protect the table top from scratches and other damage while assembling.

1.

Place the big **E** washer on the tabletop.
Then place part **B** on top of the washer.

2.

Place part **F** on top of part **B**.
Then insert part **C** through part **F** and into part **B**.

3.

Insert part **D** through the hole in part **C** and make contact with threaded part in the table top.

4.

Tighten part **D**.

5.

Turn the table over (2 persons recommended).

6.

Done!

- CARE & MAINTENANCE -

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture.
